

Product Name: Mini Nail Box

Product Group: Pass Through/AV Plates

Part Number: 45-0007-WH

Colors: White

Product Overview

The DataComm Mini Nail-On Box (45-0007-WH) is a compact, low-voltage mounting solution designed for fast, secure installation in new construction applications. Its space-saving design makes it ideal for tight wall cavities while providing reliable support for data, audio, and communication devices.

Engineered for efficiency on the jobsite, this lightweight yet durable box nails directly to wood studs, helping installers save time while ensuring proper device alignment and a clean, professional finish. Perfect for structured wiring, home theater, and low-voltage installations where precision and performance matter.

Key Features

- Compact, space-saving design for tight wall cavities
- Ideal for new construction low-voltage installations
- Nails directly to wood studs for fast, secure mounting
- Provides stable support for data, audio, and communication devices
- Helps ensure proper device alignment and clean finish
- Lightweight yet durable construction
- Designed for structured wiring, home theater, and A/V applications
- White finish for professional appearance

Technical Specifications

| Specification | Details |
|-----------------------|------------------------------------|
| Input Voltage | N/A |
| Power Consumption | N/A |
| Frequency Range | N/A |
| Data Rate | N/A |
| Connector Type | N/A |
| Operating Temperature | 0 °C to +50 °C (32 °F to 122 °F) |
| Storage Temperature | -20 °C to +60 °C (-4 °F to 140 °F) |
| Country of Origin | Vietnam |

Physical Characteristics

| Characteristic | Details |
|------------------|---|
| Dimensions | 2-inch W x 2-inch H x 1.25-inch D |
| Weight | 0.076 lbs. |
| Material | ABS Plastic (Acrylonitrile Butadiene Styrene) |
| Color | White |
| Mounting Options | Stud Mount / Rough In |

Compliance and Certifications

- cETLus Listed
- Conforms to UL Standards
