

Decora Inserts

"Feature Sheet"

Left: P/N: 45-0004-WH

Right: P/N: 45-0016-WH

DataComm Decora®-style AV cable inserts provide a clean, professional pass-through solution for low-voltage audio and video cabling. Designed to fit standard Decora wall plates, these inserts allow AV cables to pass through walls without terminations, maintaining proper bend radius while delivering a finished appearance. Ideal for home theater, commercial AV, and structured wiring applications.

Key Features:

- **Compatible with standard Decora wall plates**
- **Smooth-edged openings protect cable jackets**
- **Supports HDMI, coax, speaker wire, and other AV cables**
- **Durable, high-quality construction for long-term use**
- **Available in White (WH), Black (BK), & Ultra White (UWH)**
- **ETL Listed to UL Standards**
