

# Product Specification Sheet

**Product Name:** 1 Gang Recessed Plate

**Product Group:** Pass Through/AV Plates

**Part Number:** 45-0001-UWH, 45-0001-BK

**Colors:** Ultra White (UWH), Black (BK)

## Product Overview

The 45-0001 series Recessed Low-Voltage Cable Plate by DataComm is engineered to provide a clean, professional in-wall cable management solution. Perfect for hiding cables behind wall-mounted TVs, media consoles, amplifiers, and other A/V equipment. This recessed plate ensures that cables are routed internally rather than cluttering the wall & allows furniture to sit more “flush” to the wall.

## Key Features

- **Feature 1:** The plate recesses into the wall, allowing low-voltage cables to stay hidden behind the finished surface, maintaining a low profile and a polished install.
- **Feature 2:** Can be mounted with the opening facing either up or down to suit cable routing preferences and installation constraints.
- **Feature 3:** Allows up to four low-voltage cables to pass through a single opening, supporting HDMI, coax, Ethernet, speaker wire, and more.
- **Feature 4:** Made from non-breakable ABS plastic for long-term reliability during installation and in-use conditions.
- **Feature 5:** ETL listed in the U.S. and Canada; intended to be used in conjunction with a standard low voltage mounting bracket (sold separately).
- **Feature 6:** Offered in multiple finishes—such as Black (BK), Ultra White (UWH), to blend seamlessly with various wall decors.
- **Feature 7:** Includes mounting screws and is compatible with standard low-voltage wall boxes/brackets.
- **Feature 8:** Rear pass through extends above plate opening to ensure that you do not see inside wall cavity.

## Technical Specifications

Specification	Details
Input Voltage	N/A
Power Consumption	N/A
Frequency Range	N/A
Data Rate	N/A
Connector Type	Flush Mount, Pass Through
Operating Temperature	N/A
Storage Temperature	N/A
Country of Origin	Vietnam

## Physical Characteristics

Characteristic	Details
Dimensions	2.77" W x 4.52" H x 2.51" D
Weight	0.09 lbs.
Material	ABS Plastic (Acrylonitrile Butadiene Styrene)
Color	Ultra White (UWH), Black (BK)
Mounting Options	Flush Mount, Recessed

## Compliance and Certifications

- Certification 1 : ETL Listed
- **U.S Patent Numbers: US7390964B2, USD553475S, USD554475S**
- Compliance with industry standards

## Ordering Information

Item	Details
Part Number	<b>45-0001-UWH, 45-0001-BK</b>
UPC Code	660559003558, 660559007204
Package Contents	1 Gang Recessed Plate, Mounting Screws
Warranty	One (1) Year
