

Product Specification Sheet

Product Name: Surface Mount Retractable Charger

Product Group: Kinea

Part Number: K765

Colors: White

Product Overview

The Kinea Surface Mount Retractable Charger is a sleek, low-profile solution designed to eliminate desktop clutter while keeping your devices powered. Mounting discreetly beneath your workstation, it features a built-in 26-inch retractable USB-C cable that pulls out when you need it and disappears when you don't. This innovative design ensures that your charging cable is always within reach but never in the way of your mouse or keyboard. It's the perfect ergonomic upgrade for minimalist setups, providing high-speed charging without the mess of tangled cords hanging off your desk.

Key Features

- Feature 1: Attaches discreetly beneath your workspace to keep your desktop surface completely clear of clutter.
- Feature 2: Provides a 26-inch retractable cable that offers plenty of length for charging devices while you work.
- Feature 3: Delivers efficient, high-speed power through a universal USB-C connector compatible with most modern electronics.
- Feature 4: Features a smooth retraction mechanism that reels the cable back in to prevent tangles.
- ETL listed for safety and reliability
